

REMARKS

This divisional application is directed to subject matter restricted from the parent application. Applicants reserve the right to file one or more continuing and/or divisional applications directed to any subject matter disclosed in the application which has been canceled by any of the above amendments.

It should be noted that the specification provided with this divisional application is a copy of the Substitute Specification submitted in the parent application. No new matter was added to this specification from the specification originally filed in the parent application. It merely adds SEQ ID numbers for previously recited sequences.

A copy of the paper version of the Sequence Listing for the parent application, which has the identical sequence information to this divisional application, and accompanying statement in accordance with 37 C.F.R. §§1.821-1.825 are submitted herewith. A computer readable form of the sequence listing was submitted in the parent application, Ser. No. 09/528,200. It is requested that the computer readable form submitted in the parent application be used to fulfill the sequence disclosure requirements for this application under 37 C.F.R. §1.821(e).

Favorable action on the application is earnestly solicited. The Examiner is kindly invited to contact the undersigned to discuss any unresolved matters.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

John A. Soppi, Reg. No. 33,103
